

All In Together: Meghan's Light 5K

On October 1, 2016, a team of Vertexians participated in the 2nd annual Meghan's Light 5K and Family Fun Walk in Florence, Mass. Meghan's Light was founded by friends and family in honor of Meghan Hukowicz Zoll, who passed away from cystic fibrosis (CF) in 2014. The organization aims to support finding a cure for CF and to inspire hope and courage in patients, families and communities impacted by the disease.
